BENEFITS

“Color Egg” throwable fire extinguisher

-
- 1) It is suitable for emergency situation of an early-stage fire and because it is easy to use, anybody can use it irregardless of age or gender at any positions without any shaking require compared to the powder ones.
 - 2) Fast and effective. It can extinguish fire within 3-5 seconds. When throwing it into the fire, it can produce mass foam and gases. These two things can block oxygen and suffocates the fires with cooling effect.
 - 3) Economy and cost- effective. Its cost is much cheaper than other traditional fire extinguishers.
 - 4) Maintenance free. There is no need maintenance.
